Year 2: Mission Loving Others Like Jesus.

This term, Year 2 have been looking at the ways we can follow the footsteps of Jesus to live out God’s mission. We have looked closely at the story of ‘Jesus and the Blind Beggar’ and identified ways we can imitate the love Jesus showed others.

“I can live out the mission of Jesus by donating money to help people living in poverty.”
Gabriel Nakhoul

“I can continue the mission of Jesus by being kind and respectful to others.”
Myah Abi Kabalane

“We can live out God’s mission by praying for those in need.”
Jonny Silverwood

“I can follow the mission of Jesus by caring for people and showing love to others.”
Ethan El Katrib
We welcome all our parents and friends to join us on Friday in the hall at 2.20pm for our school assembly. Kindergarten, Year 2 and Year 4 will share their learning with us. We will also announce the students who receive the Principal Award for Honesty.

Students share their work with their family
On Friday children will take home their work folder to share their great learning with their family. This is a great opportunity for parents to talk to their children about their learning.

Year 5 Leadership Retreat
On Monday and Tuesday Year 5 experienced two days building leadership and collaborative skills. I wish to sincerely thank our teachers for attending this two day retreat, Mr Bawden, Miss Kehris, Miss Cao and Mrs Chia. Our wonderful teachers gave up precious time with their family in order to make this experience possible for our students. I also wish to thank our parents for supporting this program. As always your children did you proud.

Band Demonstration for our Year 4 students
On Friday the 13th of November, several of our band members will be sharing their talents with our Year 4 students. This performance will allow Year 4 to view the many instruments they will have the opportunity to play next year. A letter will go home with the children on this day asking parents to discuss with their child the instrument they may like to play next year. I wish to thank the Catholic Education Office for providing this program for our school community. We are truly blessed to have their continued support.

Sacred Heart Visit Year 6
Students from Sacred Heart will visit our school on Monday to share with our Year 6 students the great work they are doing using the Four C pedagogy. Our students will have an opportunity to give our visitors feedback regarding the inquiry project that they have come to present. Our students will also have an opportunity to reciprocate and walk the visitors through the great work they have achieved this term. I wish to thank Miss Harb, Principal of Sacred Heart for allowing this joint school initiative to occur. Community collaboration is another way students improve their learning, communication and leadership skills.
Calendar

November

Birthday Wishes!

Congratulations to the following students who celebrate their birthday this week: Shania Eru Sua, David Faalogo and Ashwin Kumar.

Swimming Program

All Swimming Program payments are now overdue! Parents are asked to make payment so that all accounts can be finalised. Thank you for your cooperation.

Canteen News

Mel’s Tasty Bites would like to apologise as there was an error in the last menu, where we had H for Halal. This has since been removed and the new menu is attached with this newsletter.

Following Canteen guidelines, the healthy spectrum colours have to be illustrated in all canteen menu’s now, as you will see:

- G— Green
- A—Amber
- R—Red
- H—Halal available (which has to be illustrated on all menu’s in public schools—NOT Catholic schools).

Sorry for the confusion and we hope you enjoy the new menu!

You can also order your canteen lunch online and top up your account credit online.

There is also a NEW on—going weekly Meal Deal for $5.00.

Please like our Facebook Page so you can stay up to date with and canteen news, meal days or fruit days coming up.

Thank you

Mels Tasty Bites

In Christ we Live, Love and Learn.
